Applicant Acknowledgement

By completing, signing and submitting this Application form to Jemena Gas Networks (NSW) Limited (JGN), the Applicant specified above is acknowledging that:

- the Applicant is requesting JGN to provide the connection service specified above at the premises specified above;
- the customer located at those premises is a business customer and is expected to consume more than 10TJ of natural gas a year; and
- a retailer has already submitted a Request for Service for the premises specified above, under JGN's Access Arrangement (as indicated above), and that the Request for Service forms part of this application form.

Where to send this Application Form

Once this Application Form has been completed, signed and dated as required above, it should be returned to us at rfs@jemena.com.au.

Negotiated Connection Offer Process

As the Applicant is applying for a connection service relating to the premises of a business customer which is expected to consume more than 10TJ of natural gas a year, the negotiated connection process set out in the National Gas Rules (in Part 12A, subject to Schedule 3, Part 1) applies to your application. Once we have reviewed your application we will be in touch with you further.

If you would like more information on the negotiated connection process for connection services, please visit the Connection Services page on our website at jemena.com.au.

Questions and Comments

If you have a question concerning a connection service for premises which consumes more than 10TJ of natural gas a year, you can call Connect Direct on (02) 9455 1513 or email rfs@jemena.com.au.
