

Jemena Transmission Pipelines Access Request Form

This **Access Request Form** is to be completed by those customers wishing to seek access to gas transportation services on a non-scheme pipeline under chapter 4 to the National Gas Law and Part 11 of the National Gas Rules. The form must be completed in full and submitted via email to: Access.Request@Jemena.com.au.

For assistance in completing the form we recommend that prospective users contact a Jemena commercial representative at Pipelines.Commercial@jemena.com.au and read the User Access Guide which is listed on the website (<https://www.jemena.com.au/gas/pipelines/>).

Sections 1, 2, 3, and 5 must be completed for all Access Requests for access to pipeline services for current capacity, Developable Capacity (expansions and extensions) and Interconnection Services. For new receipt and delivery points (Interconnection Services or extensions) section 4 must be completed

1. Customer Details

Company:	
Company ABN:	
Contact Name:	
Contact Position Title:	
Contact Email:	
Contact Phone No:	

2. Pipeline Access Detail

Pipeline service sought	Choose an item.
If an Interconnection Service	Please indicate whether you intend to: <ul style="list-style-type: none">• construct, operate and maintain the interconnection at its own cost (option A); or• have Jemena do so (option B); or• proceed with a combination of option A and option B if both the interconnecting party and Jemena:<ul style="list-style-type: none">- will own equipment or infrastructure associated with the interconnection; or- agree to share the costs and responsibilities associated with the interconnection
If an Interconnection Service provide detail of Asset(s) Upstream or Downstream of Tie-In	<ul style="list-style-type: none">• Lot and Easement of facilities or pipeline• Any relevant petroleum leases (PLs and ATPs)• Detail of proposed upstream production system (design to be in accordance with the good engineering and operating practices in attachment below.• Have these details been provided in this application: Yes / No
Required Service type	Refer to the Jemena website for current services provided by the pipeline.

	For example, depending on the pipeline could be Firm Northern/Southern/Western/Eastern Haulage, As Available Northern/Southern/Western/Eastern Haulage, As Available Backhaul, As Available Park and Lend, Day-Ahead Firm.
Service Start Date	
Service End Date	
Receipt point	[Insert receipt point. Refer to pipeline map on the Jemena website for current receipts points. If a new receipt point, please print map and mark nearest location]
Delivery Point	[Insert delivery point. Refer to pipeline map on the Jemena website for current delivery points. If a new delivery point, please print map and mark nearest location]
Maximum Daily Volume Requirements (TJ/d)	[Max, Min and Average]

3. Technical Access Requirements

Receipt Point Pressure (kPag)	[Max, Min and Average]
Delivery Point Pressure (kPag)	[Max, Min and Average]
Min Temperature requirement (°C)	
Max Temperature requirement (°C)	
Ramp up Profile (TJ/Sec)	[Please attached expected consumption flow rates on start up for first hour]
Shut down Profile (TJ/Sec)	[Please attached expected consumption flow rates on shut down for first hour]
Gas Specification – Does the gas conform with AS 4564	[Yes/No]
Annual Volume Requirements (TJ/d)	[Max, Min and Average]
Daily Volume Requirements (TJ/d)	[Max, Min and Average]
Hourly Volume Requirements (TJ/hr)	[Max, Min and Average]
Instantaneous Flow Requirements (TJ/hr)	[Max, Min and Average]

Expected Transportation Requirement	Residential Retail	<input type="checkbox"/>
	Industrial	<input type="checkbox"/>
	Power Station	<input type="checkbox"/>
	LNG	<input type="checkbox"/>
	Producer	<input type="checkbox"/>
	Other	_____

 Reason for Access Request (attach any supporting information e.g. site maps, users site address, load profiles, future growth requirements etc)

For Interconnection Services please:
<ul style="list-style-type: none"> • insert diagram • insert description

4. New or changed Receipt/Delivery Point

Nearest location/township/landmark	[Attach site map]
Distance from Pipeline (m)	
Land Access	[Attach site plan and land access restrictions]
Odorant Requirement	[the gas will be odorised - Yes/No]
Expected Outage Periods	
Station Design and Configuration	[Attach engineering drawings and design information]
Other Requirements	[Attach further detail that will be useful in assessing the request]

5. Credit Requirements

 Please attach a copy of the company's most recent audited financial statements
 Company Credit Rating. (Must be a minimum of at least A- by Standard & Poors, A3 by Moody's or B from Fitch ICBA. Please attach evidence)
